

RECREATION AND RE-CREATION AT THE GATHERING

Has this issue convinced you that you need time for recreation and *re-creation*? The Gathering is the perfect place to do that!

July 11–15, Presbyterian women from around the country (and from around the world!) will explore the wonders that God works among us as God continually re-creates us.

You'll have time for worship, for deepening your relationship with God, and for finding the ways God is re-creating you and Presbyterian Women. Morning worship, a spirituality center and worship-filled plenary sessions will help you listen for God's voice. You'll also have the chance to learn about new mission and advocacy opportunities in workshops, forums and conversations with your PW sisters.

And the Gathering is just plain fun! Enjoy the talents of Presbyterian women in the Great Room show "PW's Got Talent." Shop for fair trade items in the Enough for Everyone Global Marketplace and visit tourist attractions around Louisville.
